How does the donation process work?

- Firstgiving is an easy way to earn your minimum donation while raising awareness about the event and the Unified Champion School Program.
- You can quickly and safely create your own fundraising web page, share the event link with your contacts and on social media and watch the donations add up!
- Find our fundraising web page at:

Too Chicken to Plunge?

Plunging not your thing? Or maybe you've crossed it off your bucket list with no plans to return. No problem! We've got a way for you to be involved!

You can still join a Plunge team but you won't have to jump in. *Too Chicken Plungers* are great for cheering on their team, taking pictures, and contributing to the fundraising goals, and will be able to dunk their very own chicken!

Register now: (\$50 minimum donation) the event:
