

## **Special Olympics Rhode Island**

Special Olympics is a global movement that unleashes the human spirit through the transformative power and joy of sports, every day around the world. Through sports, health, education and community programming, Special Olympics is tackling inactivity, intolerance, isolation and injustice that people throughout the world face, especially people with intellectual disabilities.

Special Olympics Rhode Island is one of the state's most dynamic programs, providing over 1,600 year-round sports training and athletic competition opportunities to more than 4,000 children and adults with intellectual disabilities. Special Olympics Rhode Island hosts over 40 statewide tournaments and competitions each year in 20 official and demonstration sports.

## **Join us!**

When people think about law enforcement and truckers together, they usually have an image of a big rig pulled over on the side of the highway with an officer writing a ticket. This September, that stereotypical image will change when members from the law enforcement community and truckers team-up to raise awareness and funds for Special Olympics with the Truck Convoy fundraising event.

This incredible event will happen in 16 states across the United States and in 6 Canadian Provinces this year. Since its beginning in 2001, the truck convoy has united more than 25,000 truckers who have traveled thousands upon thousands of miles.

Here in Rhode Island, 2019 will be our **FIRST TORCH RUN TRUCK CONVOY EVER!** In true Rhode Island spirit, we want to show that the smallest state can have the biggest impact! Please sign up today...
