

Unified Soccer Skills Return to Play 2021

Arrival

- Please arrive 10 minutes before your scheduled start time to check in.
- If you arrive earlier than 10 minutes before your practice time, please stay in or at your car.
- Upon arrival at the 10-minute mark, please report to your assigned **COVID-19 Screening Area** at the entrance of the facility to complete the **temperature check/screening questions**. (Bain Field on Sunday - look for SORI van, Wednesday night at Deerfield Park check in will be near shed next to 10U field.)
- Masks must be worn on the playing field, in the parking lot and while walking to and from the bathroom. Breaks to remove masks will be allowed, but you must stay 6 feet between players and or coaches.
- Signs will be posted throughout the facility reminding all participants about the symptoms of COVID-19, guidelines to stop its spread and social distancing requirements.
- The expectation of the program is that this will be a **“skills building program”**. Athletes and partners will be working on their skills each week to get better for the future of the league. We will take direction from SOI, the RIDOH/Governor’s office about whether we will be able to have games in future weeks.

During Play

- Maintain 6 feet social distance when at all possible.
- Athlete/Partner/Coach groupings of 50 or less will remain the same throughout the whole season, remaining in pods of 10 during practice.
- There will be no substituting players in and out each week.
- All Athletes/Partners must wear their masks when they are less than 6 feet from another player.
- Disinfect all balls prior to and after play. In addition, all fitness equipment must be disinfected after each practice.
- You must provide your own water bottles and towels. Do not share these items.
- No high 5’s, hugging, or touching of any kind during play.

Important Information to Follow

- Please use hand sanitizer frequently. Suggested times are before, during and after play.
- Keep in mind that there is a public restroom available at Deerfield Park. Port-a-johns are available at Bain on Sunday. Please clean your hands before and after use.
- Wear masks while on the field, in the parking lot and bathrooms.
- Please be mindful of gathering only with your team on the field.
- Arrive at your designated time and leave as soon as you are finished.
- If you are not feeling well, please take the week off from soccer skills.
- Spectators and/or family must stay away from the field during weekly skills.

Please remember we are guests at these fields, and if we do not abide by these rules, we will be asked to leave! Please be safe and smart as we take the next step back into sports.
