Recognition for 2021 SORI Virtual Games

We are once again coming together virtually for our Summer Games in 2021. This year, the themes of the Games revolve around inclusion, health, fitness, coming together, and unity. Recognition and awards for our Virtual Games will be based on your attendance at both in-person practices with your team and virtual events (i.e. fitness with Steph, etc.) this Spring.

Bronze Level Recognition: Attend at least 25% of practices

Silver Level Recognition: Attend at least 50% of practices

Gold Level Recognition: Attend at least 80% of practices

All participants in this year's Virtual Games will receive a virtual certificate and commemorative t-shirt
