

Traditional Duck-Pin Bowling Return to Play Plan 2021

Arrival

- Upon arrival, all participants may enter the bowling alley to prepare for their game. Participants should avoid interacting with patrons of outside parties that may also be present at the bowling alley.
- Masks must be worn by all athletes, coaches, volunteers, and supports.
- Currently, no group should exceed 50 people. This includes athletes, volunteers, coaches, and supports.
- Signs should be posted by coaches on your benches reminding all participants about the symptoms of COVID-19, guidelines to stop its spread and social distancing requirements.
- Athlete safety is our first priority. We are closely following all guidelines provided by SOI, which take precedent over current guidelines followed by RIDOH.

During Play

- Maintain 6 feet social distance when at all possible.
- There should be no one congregating with the group at the alley that is not scheduled to be there.
- Eligibility for the tournament is team discretion, but athletes should attend at least 75% of practices preparing for the event.
- All Athletes, Volunteers, Coaches, and Supports must wear their masks regardless of vaccination status. Masks must be worn covering both the mouth and nose. Masks may be taken down by athletes on the bench when they are at least 6 feet apart in order to get a drink.
- Teams are encouraged to mark spaces on their benches for players to sit on the bench to maintain social distancing
- If athletes are using their own bowling balls, they should not share them with other athletes.
- Hand sanitizer should be made available at each lane for all to access at any time. All athletes should sanitize following a completed game.
- You must provide your own water bottles and towels. Do not share these items.
- High 5's, hugging, or touching of any kind during play is strongly discouraged. Fist bumps and "chicken wings" are acceptable.

Important Information to Follow

- Wash your hands frequently for 20 seconds. Suggested times are before and after play.
- Coaches will continue to utilize items in their COVID-19 kit, which includes hand sanitizer, masks, gloves, thermometer, disinfectant spray and/or wipes, Code of Conduct/Risk Assessment and Screening & Tracking Forms, and COVID-19 Waiver Forms.
- Be sure to wash your hands after using the restrooms at your alley.
- If you are not feeling well, please take the week off from Bowling.
- We respectfully ask that athletes be dropped off for bowling and get picked up at the end. Supports that remain at the alley are counted in the 50-person limit.

Please be safe and smart as we return to play.
