### ***New in Unified Champion Schools!***

Hello, my name is Tanya Creamer, and I am the new Director of Unified Champion Schools at SORI.

Growing up, I volunteered as a Unified Partner for Special Olympics MA and I have 7 years of experience in the education field, most recently directing Out of School Time programs in South Providence schools. I am currently pursuing a master's degree in Youth Development. I am looking forward to working with all of you this year, whether in-person or virtually! Please reach out with any questions about anything Unified Champion Schools related! ~Tanya

### ***Spotlight: Arlington Elementary, Cranston Pledge and Inclusion Kickoff Assembly***

A big shout out and thank you to Arlington for inviting SORI out to their beginning of the year Pledge and Inclusion Kickoff Assembly! Students and teachers did an amazing job reciting the pledge and discussing the word Inclusion. We are SO proud of all our schools that #CHOOSETOINCLUDE and the amazing enthusiasm the Arlington student brought to their event!
